EXPERIENCE THE POWER OF OBAGI

With a 30-year legacy of science and innovation, we are a complete skincare company, designing transformational products that promote skin health — not just today but for many more tomorrows, too.

Obagi develops scientifically backed, clinically tested formulations to reveal healthy, future-facing skin. Our products are designed to restore skin's natural radiance by visibly improving skin tone and texture and diminishing the appearance of premature aging, photodamage, acne, and sun damage.

Obagi has pioneered many skincare advances, including being the first medical skincare brand to design their clinical research protocols to cover all six skin types across the Fitzpatrick skin spectrum.

THE FITZPATRICK SCALE

	TYPE I	TYPE II	TYPE III	TYPE IV	TYPE V	TYPE VI
BEFORE SUN	Ivory	Fair or pale	Fair to beige, with golden undertones	Olive or light brown	Dark brown	Deeply pigmented dark brown to darkest brown
AFTER SUN	Always freckles, always burns/peels, never tans	Usually freckles, often burns/peels, rarely tans	Might freckle, burns on occasion, sometimes tans	Doesn't really freckle, burns rarely, often tans	Rarely freckles, almost never burns, always tans	Never freckles, never burns, always tans

REGIMEN BUILDER

Obagi has a broad portfolio that offers treatment solutions for a variety of patients. Based on your Fitzpatrick Skin Type, conditions, concerns, and commitment, work with your skincare professional to build a regimen that is best for you.

Fitzpatrick Type

TYPE I	TYPE II	TYPE III	TYPE IV	TYPE V	TYPE VI
---------------	----------------	-----------------	----------------	---------------	----------------

Condition

Be sure to mention to your skincare professional any conditions, such as the ones below, you are experiencing.

- Acne
- Age spots
- Body skin
- Dry or oily skin
- Dull, uneven skin tone and texture
- Fine lines and wrinkles
- Hyperpigmentation
- Keratosis pilaris
- Lackluster, delicate skin
- Loss of skin radiance and resilience
- Loss of firmness
- Melasma
- Persistently rough and bumpy
- Photoaging
- Redness
- Rough skin
- Sallowiness
- Skin aging
- Uneven skin tone
- Visible pores

Concern

Talk to your skincare professional about your main skin concerns and what you would like to improve.

- Reduce the appearance of fine lines and wrinkles
- Reveal younger, healthier-looking skin
- Softer, smoother, radiant, and more even-looking skin
- Control acne for a clearer complexion
- Preserve youthful-looking skin
- Protection from the harmful effects of sun exposure
- Instant and long-lasting hydration for essential moisturization
- Promote smoother, tighter-looking skin
- Firmer, more resilient-looking skin
- Defense from environmental assailants
- Exfoliate dead skin cells from the surface of skin
- Sensitive skin

Commitment

Discuss with your skincare professional how much time you are willing to dedicate to your morning and/or evening skincare routine.

- Willingness to adhere to a program length of 6–18+ weeks
- Commitment to apply 1–6+ product(s) system twice daily
- Time, patience, and tolerance for transient effects
- Ability/willingness to manage product side effects
- Amenability to once daily application of product to targeted body areas; use skincare beyond the face
- Desire a comprehensive yet easy to use skincare regimen
- Comprehensive regimen
- Products work well with other regimens (layers well)

Transformational

OBAGI NU-DERM® TRANSFORMATIONAL SYSTEMS

The Nu-Derm System helps transform skin by reducing the appearance of dark spots, revealing younger, healthier-looking skin.*

Nu-Derm is ideal for:

- Age spots
- Rough skin
- Sallowness (*yellowish complexion*)
- Hyperpigmentation (*discoloration*)

"[I] have used the Obagi Nu-Derm skincare system for 17 years, and I have not found any other system that is comparable to the excellent results for rejuvenating and maintaining healthy skin."[†]

JODY COMSTOCK, MD
FOUNDER/PHYSICIAN: SKIN SPECTRUM
TUCSON, AZ

"I really didn't like the texture of my skin, my pore size, and I had a lot of hyperpigmentation. I was a little intimidated to have to use so many products and have to buy into some sort of system. I was skeptical. But all I can say is, 'Wow, what a transformation!'"

PAIGE
ORINDA, CA

*Rx products only.

[†] The safety and effectiveness of the Nu-Derm System beyond 24 weeks of use have not been established.

OBAGI NU-DERM PRODUCTS

Sold as part of Nu-Derm Systems and sold separately

Gentle Cleanser

(6.7 FL. OZ.)

NORMAL TO DRY

Mild facial cleanser that gently removes impurities, oil, and makeup to leave skin clean and fresh.

KEY INGREDIENTS

Oat Amino Acids, Glycerin, Aloe, Apricot Kernel Oil, Panthenol, and an extract blend including Borage and Sage

Foaming Gel

(6.7 FL. OZ.)

NORMAL TO OILY

Gel-based cleanser designed to cleanse pores and remove makeup, dirt, and excess oil, leaving your skin feeling clean and fresh.

KEY INGREDIENTS

Oat Amino Acids, Aloe, and an extract blend including Alfalfa, Borage and Chamomile

Toner

(6.7 FL. OZ.)

Alcohol-free, nondrying toner that is designed to balance skin's natural pH.

KEY INGREDIENTS

Witch Hazel, Aloe

Exfoderm

(2 OZ.)

NORMAL TO DRY

Lightweight lotion that helps exfoliate the top layer of the skin, removing dull, old skin while revealing new skin for a brighter, more radiant complexion.

KEY INGREDIENT

Phytic Acid

Exfoderm Forte

(2 OZ.)

NORMAL TO OILY

Lightweight lotion with AHAs[†] helps exfoliate the old, dulling top layer of the skin for a noticeably smoother, brighter complexion.

KEY INGREDIENTS

Glycolic Acid,[‡] Lactic Acid[‡]

[†] Contains sodium metabisulfite, a sulfite that may cause allergic-type reactions, including anaphylactic symptoms and life-threatening or less severe asthmatic episodes in certain susceptible people. The overall prevalence of sulfite sensitivity in the general population is unknown and probably low. Sulfite sensitivity is seen more frequently in asthmatic than in non-asthmatic people.

[‡] **Sunburn Alert:** This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterward.

OBAGI NU-DERM PRODUCTS

Sold as part of Nu-Derm Systems and sold separately

STAND-ALONE PACKAGING

STAND-ALONE PACKAGING

Hydrate (1.7 OZ.)

Noncomedogenic formula provides eight-hour moisture protection. Designed for all skin types.

KEY INGREDIENTS

Hydromanil (derived from Tara Tree Seed), Shea Butter, Mango Butter, Avocado Oil, Glycerin

Sun Shield Matte Broad Spectrum SPF 50 (3 OZ.)

Sunscreen combines UVB absorption and UVA protection in an elegant, matte finish that is non-comedogenic and dermatologist-tested. Sheer and fragrance-free for all skin types. Reef safe.

KEY INGREDIENTS

Homosalate, Octisalate, Zinc Oxide

Healthy Skin Protection SPF 35 (3 OZ.)

SOLD SEPARATELY

Non-comedogenic sunscreen with micronized zinc oxide and octinoxate that helps to protect newly transformed, younger-looking skin.

KEY INGREDIENTS

Zinc Oxide, Octinoxate

Physical UV SPF 32 (2 OZ.)

SOLD SEPARATELY

Ultra-smooth, non-comedogenic daily sunscreen with zinc oxide provides broad spectrum protection from UVA rays and UVB radiation.

KEY INGREDIENT

Zinc Oxide

Clear Fx† (2 OZ.)

Skin-brightening cream formulated with arbutin helps improve the look of the skin for an even, healthy-looking complexion.

KEY INGREDIENTS

Arbutin, Glycolic Acid,‡
Lactic Acid‡

Blend Fx† (2 OZ.)

Gentle formula with arbutin and antioxidants helps to clarify and brighten skin.

KEY INGREDIENTS

Arbutin, Glycerin, Vitamin E, Vitamin C, Lactic Acid‡

† Contains sodium metabisulfite, a sulfite that may cause allergic-type reactions, including anaphylactic symptoms and life-threatening or less severe asthmatic episodes in certain susceptible people. The overall prevalence of sulfite sensitivity in the general population is unknown and probably low. Sulfite sensitivity is seen more frequently in asthmatic than in non-asthmatic people.

‡ **Sunburn Alert:** This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterward.

OBAGI-C® RX TRANSFORMATIONAL SYSTEMS

With Obagi-C Rx, you're on your way to softer, smoother, radiant, and more even-looking skin.

The Obagi-C Rx System includes prescription-strength hydroquinone to correct hyperpigmentation and other key ingredients that help address the signs of skin aging to maintain younger-looking skin.

Obagi-C Rx System products are ideal for:

- Hyperpigmentation from sun damage, including freckles and age spots
- Uneven skin tone
- Rough skin
- Appearance of fine lines and wrinkles
- Dry, normal, or oily skin

"After using [the Obagi-C Rx System], my skin looked much younger and softer. It was the best investment I ever made."

YADIRA
SMITHFIELD, NC

"People think I look a lot younger than I really am. The Obagi-C Rx System has been my secret."

ELASTIDERM®
PROFESSIONAL-C®
KERAPHINE®

Targeted

ELASTIDERM® PORTFOLIO

Layer the Elastic Power

TARGETED PRODUCTS FOR THE FACE AND EYES

ELASTIderm Facial Serum pairs perfectly with ELASTIderm eye products for targeted bounce-back power. Specifically formulated and ophthalmologist tested, ELASTIderm eye products are ideal for the delicate skin around the eyes.

ELASTIderm products are ideal for:

- Loss of firmness
- Appearance of skin sagging, laxity, and crepiness
- Delicate skin around the eye area

100% of participants reported their face looks firmer with ELASTIderm Facial Serum.*

"I had pretty much given up on eye creams and was thinking about surgery until my dermatologist told me to try this."

KATHLEEN
ATLANTA, GA

*12-week clinical study. Data on file at Obagi Cosmeceuticals LLC.

ELASTIderm Facial Serum (1 FL. OZ.)

Featuring patented Bi-Mineral Contour Complex™, it helps support skin elasticity so it can bounce back from the signs of aging, resulting in firmer-looking, more resilient skin.

KEY INGREDIENTS
Bi-Mineral Contour Complex
(Copper, Zinc and Malonate)

ELASTIderm Eye Cream (0.5 OZ.)

Has a lightweight, smooth formula that helps rejuvenate the skin around the eyes, reducing the appearance of fine lines and wrinkles, while providing a firmer look.

KEY INGREDIENTS
Bi-Mineral Contour Complex
(Copper, Zinc and Malonate)

ELASTIderm Eye Serum (0.47 FL. OZ.)

Utilizes a soothing, rollerball technology to refresh the appearance of the skin around eyes with caffeine and reduce the appearance of under-eye puffiness.

KEY INGREDIENTS
Bi-Mineral Contour Complex (Copper, Zinc and Malonate), Caffeine

PROFESSIONAL-C® PORTFOLIO

The Professional-C portfolio serves as your second line of defense from environmental assailants that sunscreens often miss.

Daily use helps to fortify skin and safeguard your youthful appearance. Formulated with pure L-ascorbic acid to optimize efficacy, permeability, and stability.

Professional-C is ideal for:

- Daily antioxidant defense
- Fine lines and wrinkles
- Dull, uneven skin tone and texture

“Obagi Professional-C Serum has worked a miracle. By using this product and having regular facials, I have much smoother and cleaner skin. [It] has allowed my skin to glow again. I am asked on a daily basis if I received a facial today. This is a fabulous product, and I am interested in the complete line.”

LANA S.
LOCATION UNKNOWN

PROFESSIONAL-C

Professional-C Serum 10% (1 FL. OZ.)

Concentrated formula recommended for dry, irritated, or sensitive skin.

KEY INGREDIENT
L-ascorbic Acid

Professional-C Serum 15% (1 FL. OZ.)

Highly concentrated serum with antioxidant L-ascorbic acid for most skin types. Helps minimize the appearance of fine lines and wrinkles while leaving your skin feeling silky soft.

KEY INGREDIENT
L-ascorbic Acid

Professional-C Serum 20% (1 FL. OZ.)

Highest concentrated serum with antioxidant L-ascorbic acid, best suited for normal to oily skin. Uniquely formulated to help reduce the appearance of skin aging and leave skin feeling silky soft.

KEY INGREDIENT
L-ascorbic Acid

Professional-C Peptide Complex (1 FL. OZ.)

Non-comedogenic formula that includes Kinetin, Zeatin, and a β glucan derivative with Vitamin C and Soft Focus Technology to diminish the appearance of skin aging.

KEY INGREDIENTS
Kinetin, Zeatin, SNAP-8 (Acetyl Octapeptide)

Professional-C Suncare SPF 30 (1.7 OZ.)

KEY INGREDIENTS
Avobenzone, Homosalate, Octisalate, Oxybenzone, Octocrylene, L-ascorbic Acid

Professional-C Microdermabrasion Polish + Mask (2.8 OZ.)

This 2-in-1 polishing mask exfoliates and primes skin for a powerful infusion of 30% Vitamin C, revealing dramatically smoother, brighter, more youthful-looking skin.

KEY INGREDIENT
L-ascorbic Acid

KÈRAPHINE® BODY SMOOTHING LOTION

KeraPhine Body Smoothing Lotion (6.7 FL. OZ.)

Clinically proven to improve the look and feel of persistently rough and bumpy skin on the body and reduce skin dryness.

KEY INGREDIENTS

Glycolic Acid,[‡] Ammonium Lactate

KeraPhine exfoliates dead skin cells from the surface of your skin, revealing smoother, healthier-looking skin.

KeraPhine Body Smoothing Lotion is ideal for persistently rough and bumpy body skin.

REAL RESULTS

KeraPhine Body Smoothing Lotion is clinically proven to:¹

- Help smooth persistently rough and bumpy skin, typically found on arms and legs, that doesn't respond to traditional moisturizers
- Minimize discoloration associated with Keratosis Pilaris
- Help restore healthy-looking skin

‡ Sunburn Alert: This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterward.

1. Data on file at Obagi Cosmeceuticals LLC.

SUZANOBAGIMD®

SUZANOBAGIMD®

This unique line of scientifically formulated products provides the perfect balance of powerful ingredients and purposeful exclusions designed to cleanse, protect, and renew all skin types.

The combination of clinically proven ingredients and antioxidants reveals healthier-looking, more radiant skin.

- Clinically studied, dermatologist-tested ingredients selected for both effectiveness and gentleness
- Every product is hypoallergenic and made without parabens, synthetic fragrances, or dyes
- Formulated for all skin types, including sensitive skin

SUZANOBAGIMD is ideal for:

- Appearance of photoaging, such as fine lines and wrinkles
- Rough skin texture
- Lackluster, delicate skin
- Sensitive skin

Balancing Toner
(6.7 FL. OZ.)

Removes excess oil and impurities while helping to gently restore the skin's natural pH and minimize the appearance of pores. Dermatologist-tested, hypoallergenic, and made without synthetic fragrance or parabens.

KEY INGREDIENTS
Witch Hazel, Citrus Bioflavonoids, Brassica Sulforaphane, Aloe Polyphenols, Antioxidants

Acne Cleansing Wipes
(25 WIPES)

For oily or acne-prone skin, these pre-moistened, textured wipes contain 2% Salicylic Acid to help treat and prevent acne while gently cleansing the skin. Hypoallergenic and made without fragrance or parabens.

KEY INGREDIENTS
2% Salicylic Acid, Witch Hazel, Citrus Bioflavonoids, Brassica Sulforaphane, Aloe Polyphenols, Antioxidants

Cleansing Wipes
(25 WIPES)

The perfect on-the-go solution to quickly cleanse and refresh the skin, these soft, pre-moistened, textured wipes remove excess oil, makeup, dirt, and other impurities from the skin. Hypoallergenic and made without fragrance or parabens.

KEY INGREDIENTS
Citrus Bioflavonoids, Brassica Sulforaphane, Aloe Polyphenols, Antioxidants

Soothing Complex Broad Spectrum SPF 25
(1.6 FL. OZ.)

Lightweight formula provides physical UVA and UVB protection while helping blur minor imperfections with a subtle tint. Designed for dry, delicate, post-procedure skin.

KEY INGREDIENTS
4.8% Titanium Dioxide, Vitamin K, Bromelain, Sodium Hyaluronate, Allantoin, Antioxidants, Citrus Bioflavonoids, Brassica Sulforaphane, Aloe Polyphenols

Intensive Daily Repair
(2 OZ.)

Hydrating, rejuvenating daily lotion designed to improve the appearance of skin clarity and texture. Polyhydroxy acids (PHAs) help minimize the appearance of pores and visible signs of aging with gentle exfoliation. Dermatologist-tested, hypoallergenic, and made without fragrance or parabens.

KEY INGREDIENTS
