

TOTALSKIN SOLUTION

OVERVIEW

TOTALSKIN SOLUTION OVERVIEW

Patients of all skin types, colors, and any parts of the body may be treated safely by TotalSkin.

The energy heats the skin, resulting in long-term remodeling and rejuvenation to address the signs of aging skin, including age spots, wrinkles, crepiness and laxity.

Non-invasive procedure to look refreshed and renewed, reduce the appearance of pore size and acne scarring.

Does it hurt? The procedure is very tolerable and sought out by clients of all ages, both male and female.

Downtime: Substantially subside within 24-48 hours.

Treatments are performed by trained, licensed Cosmetic Therapists or physicians at The Laser Loft.

BEFORE TREATMENT

Avoid direct sun exposure or tanning (wear daily sunscreen) 3-4 weeks before treatment.

Stop any Retinols or Tretinoin (Retin-A) products 1 week before Genius.

Clean skin: avoid applying make-up, ointments or creams to the treatment area.

Avoid aspirin or Motrin (ibuprofen) 1 day prior to Genius treatment. You may not be a candidate for Genius if you are taking blood thinners.

AFTER TREATMENT

Mild redness and swelling can last up to 24-48 hours.

Avoid wearing Make-up for 2-3 days.

Avoid excessive heat or sun exposure for 1 week.

Avoid any skin products or cleansers to treated area for 12 hours. Then use gentle cleanser for 2 weeks.

Use mineral-based sun screen daily.

SCHEDULE

To get the optimal results, we recommend a series of three treatments, spread 4-6 weeks apart.

Full results appear 3-6 months after your final treatment.

COST

Treatments are affordable.

Offer pay as you go or get the best price with one of our packages.

Pricing is based on the area being treated.

Detailed pricing will be provided during your FREE consultation. Schedule it today!
